10:40 a.m.	Privacy Framework	Naomi Lefkowitz, Senior Privacy Policy Advisor, NIST
11:30 a.m.	ADJOURN FORUM MEETING	

How to Access the NIST-Guest Wireless Network

NIST-Guest is broadcasted and is the network to connect your device with.

1. Connect wirelessly to SSID: **NIST-Guest**
2. Open your browser, as needed.
 1. If using iOS (iPhones and iPads), access a web page that does not use https:// (for example, <http://www.apple.com>) to get to the Access and Use Policy.
 2. If using Android devices, a web page will automatically open with the Access and Use Policy.
3. Review the complete Access and Use Policy by scrolling to the bottom of the Window. Acknowledge that you agree to the terms identified by selecting ACCEPT.

Device access will be blocked if (1) it is a NIST-owned device; (2) malware or other malicious activity is detected; or (3) inappropriate online behavior is detected.

For more information, see: <https://www.nist.gov/sites/default/files/documents/2016/11/08/AboutAccess.pdf>

Continuing Education Units

VERIFICATION OF ATTENDANCE FORM

Certification Number: _____

_____ attended the following professional educational activity.
(NAME)

Title:	Federal Computer Security Managers' Forum November Meeting
Date(s):	November 28, 2018
CPE Hours Earned:	2.5 hrs.
Sponsor(s):	National Institute of Standards and Technology – Computer Security Division
Location:	NIST 100 Bureau Drive, Gaithersburg, MD 20899
Name of Meeting Chair:	Jody Jacobs and Jeff Brewer, NIST Computer Security Division

Purpose of Meeting:

The Federal Computer Security Program Managers' Forum (Forum) is an informal group sponsored by NIST to promote the sharing of information system security information among federal agencies. The Forum hosts half-day meetings and a 2-day conference to discuss current issues and items of interest to those responsible for protecting non-national security systems across the federal government each fiscal year. The Forum plays a valuable role in helping NIST to share information directly with federal agency information security program managers in fulfillment of NIST's cybersecurity leadership mandate under the Federal Information Security Modernization Act (FISMA).

The meeting included presentations on:

- Adopting a Vulnerability Based Risk Management Approach, Charles Wade, Authorizing Official Designated Representative - A4, US Air Force
- Privacy Framework, Naomi Lefkovitz, Senior Privacy Policy Advisor, NIST

The Continuing Education Units form is provided as a courtesy. It is the responsibility of the attendee to complete and submit with their certifying authority.
