

Changing Behavior through Risk Management

Sandra Toner, ICFI

Cybersecurity Technical Specialist

I really like talking to people from every industry about their challenges implementing their Governance, Risk, Compliance (GRC) programs. **It also keeps me up at night!**

- GRC Implementation
- Cyber Risk Management
- Cybersecurity Instruction
- Cyber Policy Guidance

Risk Management What?

- Risk Management Approach to Cybersecurity
 - Persistent Threats
- Risk Management Approach to Computer Security Training
 - Persistent Threats
- Transferring Benefits
- Transferring Principles
- Instructional Context
- Do It Yourself- Risk-focused Design and Implementation
- Closing Thoughts

NIST SP 800-37, Risk Management Framework

- Accreditation for Systems
 - 6 Step Process
 - Output: Security Authorization Package
- ✓ Focus resources to greatest risks
 - ✓ Differentiated Approach
 - ✓ Track Risks & Remediation

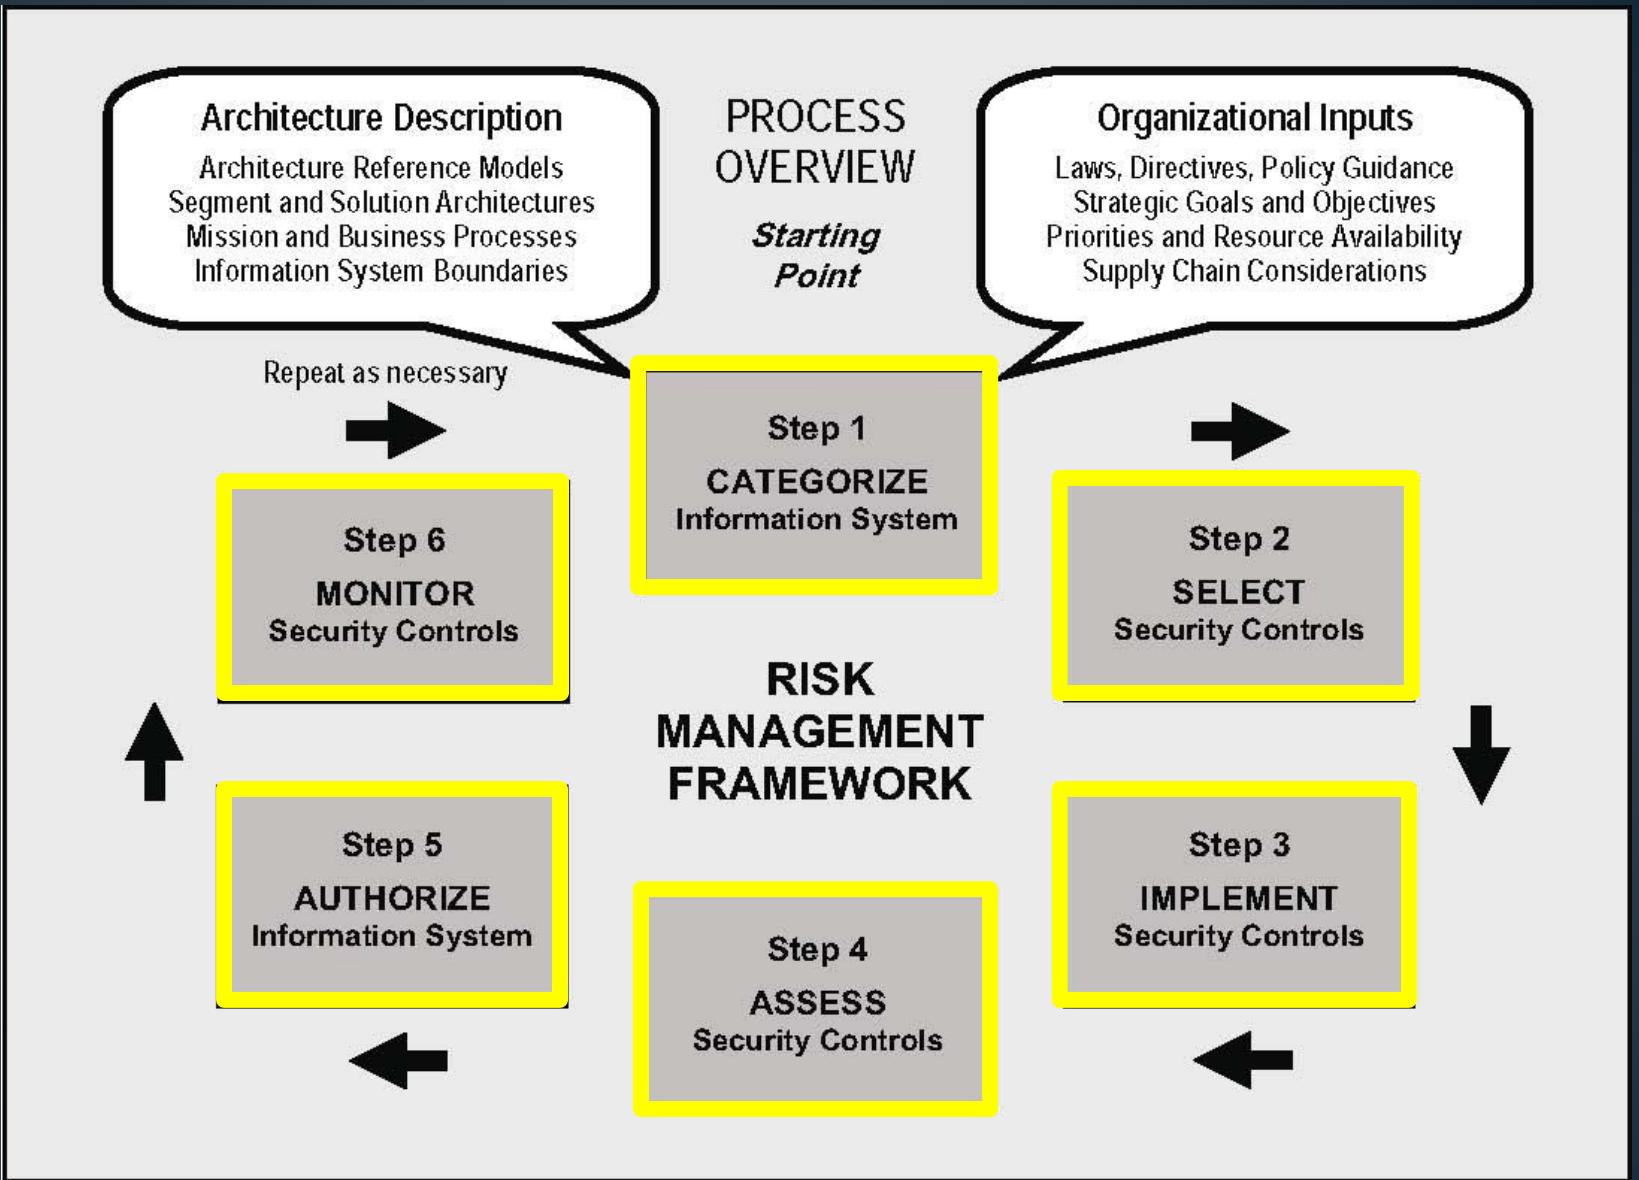

FIGURE 2-2: RISK MANAGEMENT FRAMEWORK

The background features a light gray gradient with numerous thin, vertical, light blue lines of varying lengths and positions, creating a textured, rain-like effect. A solid teal horizontal band spans the width of the image, containing the text.

TOO MUCH INFORMATION

ONCE A YEAR

Risk Management..... Training

Categorize

- Determine Access Needs

Select

- Align Access to Risk

Implement

- Immerse Users in Practice

Assess

- Engage Self Audit

Authorize

- Certify Practices

Monitor

- Evolve to Continuous Monitoring

Categorize

- Need to Know, based on Role
- Need to Use, based on Role

Select

- Identify Risks based on
 - **Access to Information and Resources**
- Select Practical Training based on Risks

Cyber-Risk Ready Workforce

Verify**

**Scams look
Real**

Make it Work!

Behavior

Choice

Information

**Disaster
Recovery**

Assess

- End-user Self Assessment
 - Personal Involvement in Cyber Risk Awareness
 - Not a checklist
 - Revisit access needs to information and resources

Authorize

(For all you non-believers) 😊

- Annual Assessment
 - % on the userbase every year to assess their progress.

Monitor

- Approach Evolves
- Easily Add New Policy, Technology, or goals
- Celebrate risk aversion all year long!!!!

Keep an Open Mind
