

Intention to Participate
NIST Technical Feasibility Study
Secure Biometric Match-On-Card (SBMOC)

Please email or mail this completed form on or before 20 Jul 2007 to:

william.macgregor@nist.gov or

William I. MacGregor
NIST PIV Coordinator, Mail Stop 8930
National Institute of Standards and Technology
Gaithersburg, MD 20878

Mr. MacGregor:

My organization intends to transmit a submission package to the NIST Feasibility Study on Secure Biometric Match-On-Card (SBMOC) Technology. I have read the requirements in the Test Approach document, and understand that I may contact you by telephone (301 975 8721) or email william.macgregor@nist.gov for additional information.
