

# Cryptographic Hash Workshop

## *October 31 – November 1, 2005*

---

**Hugo Krawczyk**, *IBM Research*  
[hugo@ee.technion.ac.il](mailto:hugo@ee.technion.ac.il)

**BIOGRAPHY:** Hugo Krawczyk is with the Cryptography and Privacy Group in the IBM T.J. Watson Research Center, where he has been a research staff member between 1991 and 2000 and from 2002 to this date. Between 1997 and 2004 he was also an Associate Professor at the Department of Electrical Engineering at the Technion, Israel. Dr. Krawczyk holds a Ph.D. from the Technion's Department of Computer Science. His areas of interest span theoretical and applied aspects of cryptography with particular emphasis on applications to network security.
