

Xu Zijie (1972/10--)

Identification Card Number:

452424721008001 / 452424197210080011

(1992/09--1996/06) Wuhan University of Hydraulic and Electrical Engineering (WUHEE)

(1996/07--1998/11) GUANGXI ELECTRIC POWER INDUSTRY INVESTIGATION DESIGN AND RESEARCH INSTITUTE

(1998/11--now) none

current research interests include Block Enciphering Algorithm, Hash function Algorithm, Cover designs.

In the process of design. I had gotten great inspiration from someone's work or questions or suggestions. They are William Stallings, Danilo Gligoroski, Svein Johan Knapskog, Sandy Harris, Vlastmil Klima and Tom. I must thank professor Tu Hang, he is professor of Wuhan University. Tu Hang has give great help at "8-bit processor".
