

Securing Your Cyber Frontier Through Awareness, Training and Education

March 4 - 6, 2003

The 16th Annual Conference of the Federal Information Systems Security Educators' Association (FISSEA)

The Hilton Hotel, Silver Spring, MD

Security awareness and training are significant components of any successful security program. All agency and contract personnel must understand their responsibilities for protecting agency assets. Come to FISSEA's Conference and discover new, efficient ways to improve your security program.

You will gain:

- Awareness and training ideas, resources, contacts
- New techniques for developing/conducting training
- Professional development
- Networking opportunities

New location - more convenient to Metro

Visit the FISSEA website: <http://csrc.nist.gov/fissea>
