RE: FISSEA Executive Board Candidate Statement

On behalf of the FISSEA Executive Board members, thank you for your FISSEA 2010-2012 FISSEA Executive Board Nomination. In order to provide FISSEA members information about Executive Board candidates, we ask each nominee to complete a Candidate Statement that will be available on the FISSEA website (www.fissea.org) and in this year's annual conference proceedings.

The Candidate's Statement is designed to acquaint FISSEA members with the executive board candidates' qualifications and interest in becoming a FISSEA Executive Board member. Please note the following:

- Submit the Executive Board Candidate Statement by March 5th by email to: fisseamembership@nist.gov
- All Candidate Statements will be posted to the FISSEA website
- An email will be sent to the FISSEA listserv announcing the FISSEA Executive Board candidates once Candidate Statements have been posted
- Please do not send information or candidate information to the FISSEA listserv – this information should be contained in the Candidate Statement
- Please use the online FISSEA Executive Board Candidate Statement – available as a word document from the FISSEA website
- All Candidate Statements will be printed and distributed in the 2010 FISSEA Annual Conference Proceedings (along with the Executive Board Election Form)

Please return your Candidate Statement no later than Friday, March 5th.

If you have any questions or need additional information, please do not hesitate to send an email to fisseamembership@nist.gov.

We are delighted that you are willing to run for the FISSEA Executive Board and appreciate your interest and commitment to FISSEA.
