DoDIIS Enterprise CPE's & Professional Development

Directorate for Information Management & CIO

DoDIIS Enterprise (all users)

- DoD IA Awareness (1.5)
- Basic SCI System User (3)
- Information Security Shorts (Insider Threat, Passwords, SCADA, Identity Theft) (1)
- IAP&T – Overview (.75)

IAO, Privileged User

- STIG Auditing Logs (.25)
- Windows 2000 Security (10)
- Firewalls & Routers (3.5) *
- IAP&T (4)
- DCID 6/3 (6)
- SAPIR UNIX (8)
- UNIX Security for SA (40)
- WEB Security (6)
- Database Security (1.5)
- Hardening the DoDIIS Enterprise: Hands-On (10) – (IAO only)
- DoDIIS System Compliance Registry (DSCR) (4) - (IAO only)

IAM, RIAM, ISSE, Certifier

- DoD Certifier Fundamentals (8)
- Retina & REM (10)
- DAA (3)
- SSAA (1.5)
- Hardening the DoDIIS Enterprise: Hands-On (10)
- DoDIIS System Compliance Registry (DSCR) (4)

CIAO, DCIAO, RCIAO, SCO

- Cyber Law, Cyber Space (2)
- Active Defense (1)

To advance to the next certification level, you must complete prior certifications

Current JIVU Content

Joint Intelligence Virtual University - HCO-2

Posted Courseware:

- Foreign Denial and Deception
- SCI Security Official's Course
- Indications and Warning
- An Introduction to J2X
- Battle Damage Assessment (BDA)
- Counterterrorism (CT)
- Asymmetric Threat (AT)
- National Intelligence Course (NIC)
- A Case Study: RYAN
- Writing Effective Performance Appraisals
- Geospatial Analysis
- Intelligence Oversight
- Analytic Tools & Techniques
- Collection Management
- Foreign Language Refresher

Courses Under Development:

- Intro to Tradecraft Analysis (via Scenario Training)
- Cultural Study: North Korea
- Bank of America (Travel Card)
- Analyst's Notebook
- Government Purchase Card
- China Horizontal Program Intro (DNI)

Future JIVU Content

Joint Intelligence Virtual University - HCO-2

Future Courseware:

- Military Familiarization
- MIDB Intro
- Pathfinder Intro
- MASINT 100
- Directed Energy Weapons
- Language Courseware
- Ballistic Missile Technical Collections
- China Horizontal Program 2 (DNI)
- DEEO Refresher
- EAP

Non JIVU Developed Content

Joint Intelligence Virtual University - HCO-2

- CIA-developed:
Bioengineering & Production
Basic Concepts of Biological Threat Agents & Microbiology
- NSA/DLI-developed:
Language Training Modules (~4,000)
- NGA-developed:
Foreign Denial & Deception

Over 240 Non-JIVU Developed Courses Available!

FasTrac

Technology and Professional Development

Joint Intelligence Virtual University - HCO-2

NetG -- Technical Training

- Microsoft
- Cisco
- Excel
- Project
- Access

SkillSoft -- Soft Skills Training

- Leadership
- Team Building
- Business
- Communications

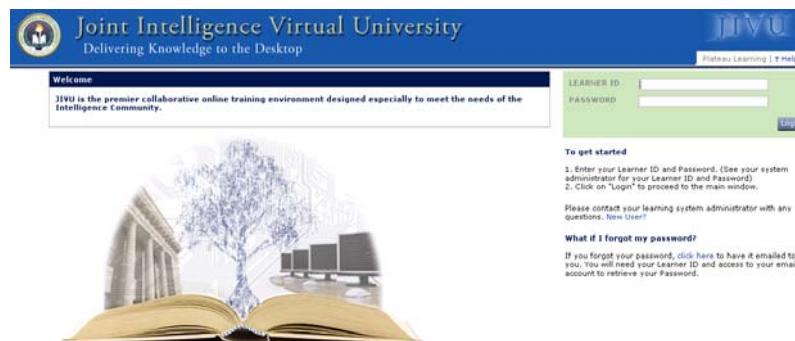

The New & Improved.....JIVU II

Joint Intelligence Virtual University - HCO-2

What to Expect:

- New user interface
- User Friendly
- Improved tracking capability
- Access to legacy courseware Classroom
- Access to new courseware
- Reusable Learning Objects
- Directly connected with eZHR
- Synchronous Virtual

Soon To Come...

Joint Intelligence Virtual University - HCO-2

Synchronous Online Classroom

- Instructor-led, real-time virtual learning classroom environment
- Instructors and students interact and collaborate at the same time from different locations during a live session (emotes, audio, and text chats)
- Enables training without the travel – worldwide
- Real-time communication through VoIP and text chat
- Collaborative interaction
 - Whiteboards
 - Markup Tools
 - Application Sharing and Web Safaris
 - Breakout Rooms
- The ability to assess and report using surveys and evaluations
- Record and Playback

Joint Intelligence Virtual University (JIVU)

- Operating within DIA since March 2001
- JIVU is a 24/7 web-based portal operating over both the Joint Worldwide Intelligence Communications System (JWICS) and the Secret Internet Protocol Router Network (SIPRNet)
- Self-Registration (name & password) & Self-Paced (→ bookmarking capability)
- Learning platform, course catalog, and/or portal to approximately 17 other IC Agencies, Commands and Services
- Students can choose from over 300 total courses listed in the JIVU catalog, including NSA/DLI language courses, Access to NegG and Skill Soft (→ ~70 JIVU-developed courses)
- Training certificates available for all JIVU-developed courses
